

Behind Blue Eyes The Who

Hear this song at: <http://www.youtube.com/watch?v=RaekgRtsTiQ> (play along with capo at the second fret)

From: Richard G's Ukulele Songbook www.scorpex.net/uke.htm

[Dm] No one knows what it's [F] like
To be the [C] bad man [Csus4] [C]
To be the [Bbadd9] sad man be[Gsus2]hind blue eyes
[Dm] No one knows what it's [F] like to be [C] hated [Csus4] [C]
To be [Bbadd9] fated to telling [Gsus2] only lies
But my [Bb] dreams [C] they aren't as [F] empty
As my [Bb] conscience [C] seems to [D] be
I have [Am] hours only [Bb] lonely
My love is [C] vengeance that's never [Gsus2] free
[Dm] No one knows what it's [F] like
To feel these [C] feelings [Csus4] [C]
Like I [Bbadd9] do and I blame [Gsus2] you
[Dm] No one bites back as [F] hard on their [C] anger [Csus4] [C]
None of my [Bbadd9] pain and woe can show [Gsus2] through
But my [Bb] dreams [C] they aren't as [F] empty
As my [Bb] conscience [C] seems to [D] be
I have [Am] hours only [Bb] lonely
My love is [C] vengeance that's never [Gsus2] free.....
[D] [Am] [G] [D] [Am] [G]
[D] When my fist [Am] clenches [G] crack it [D] open
[D] Before I [Am] use it and [F] lose my [C] cool
[C] When I [Am] smile [G] tell me some [C] bad news
[C] Before I [Am] laugh and [G] act like a [D] fool [D] [Am] [G]
[D] And if I [Am] swallow [G] anything [D] evil
[D] Put your [Am] finger [F] down my [C] throat
[C] If I [Am] shiver please [G] give me a [C] blanket
[C] Keep me [Am] warm let me [G] wear your [D] coat
[D] [Am] [G] [D] [Am] [G] [A]
[Dm] No one knows what it's [F] like to be the [C] bad man [Csus4] [C]
To be the [Bbadd9] sad man be[Gsus2]hind blue eyes
