[A] There she goes she ran in her room
She'll probably [D] stay in there the rest of the [E7] day
[A] It sounds like it must have been something you said
You know she's [D] awful used to getting her [E7] way
Why don't you [C#7] kiss her tell her you [F#m] miss her
Why don't you [A7] treat her treat her [D] nice [E7]

[F] Don't hurt my [Bb] little sister [E7]

You know she [A] digs you and thinks you're a real groovy guy
But yet I'm [D] not sure that I feel the [E7] same
[A] We both know that you've been making her cry
I hope you [D] don't think it's some kind of [E7] game
Why don't you [C#7] love her like her big [F#m] brother
Why don't you [A7] tell her tell her you're [D] sorry [E7]

[A] Don't hurt my [D] little sister
[G] Don't hurt my [C] little sister
[F] Don't hurt my [Bb] little sister [E7]
