[F] [C] [Gm] [Bb] x2

[F] There's something 'bout the way

[C] The street looks when it's just [Gm] rain

There's a glow off the [Bb] pavement you walk me to the [F] car

And you know I wanna [C] ask you to dance right [Gm] there

In the middle of the [Bb] parking lot yeah [F] [C] [Gm] oh [Bb] yeah

[F] We're drivin' down the road [C] I wonder if you [Gm] know

I'm trying so hard [Bb] not to get caught up now

[F] But you're just so cool [C] run your hands through your [Gm] hair

Absent-mindedly [Bb] making me [C] want you

Chorus: [F] And I don't know how [C] it gets better than [Gm] this

You take my hand and drag me [Bb] head first [C] fearless

[F] And I don't know why [C] but with you I'd [Gm] dance

In a storm in my [Bb] best dress [C] fearless

[F] [C] [Gm] [Bb]

[F] So baby drive slow [C] till we run out of [Gm] road

In this one horse [Bb] town I wanna stay right

[F] Here in this passenger [C] seat you put your eyes on [Gm] me

In this moment now [Bb] capture it re[C]member it

Repeat chorus (start Cause I don't know how)

[Eb] Yeah you stood there with [F] me in the doorway

My [Gm] hands shake I'm [Dm] not usual[Bb]ly this [C] way but

[Eb] You pull me in and I'm a [F] little more brave

It's a [Gm] first kiss it's [Dm] flawless really [Bb] something

It's [C] fearless [F] [C] [Gm] [Bb]

Repeat chorus x 2

[F] [C] [Gm] [Bb].....
