

I Just Want To Celebrate Rare Earth

Hear this song at: <https://www.youtube.com/watch?v=YXKTAhefBFA> (play along in this key)

From: Richard G's Ukulele Songbook www.scorpexuke.com

Intro: Chunk on muted strings. Count 1,2,3,4 and then riff over chords:

D7									
E --	--1-	--		31					
C 02	02-2	02	--	--					
G --	---	2--	--	--					

} X 2

Gsus4

G2 note can be left out of riff when playing on a high G uke. Play Gsus4 with two barres – index finger C2E2A2 and another (middle or ring finger) E3A3. This gives an easy change from D7. Main riff can be repeated through song.

[D7] I just want to celebrate another day of livin' [Gsus4] [D7]
 [D7] I just want to celebrate another day of [Gsus4] li[D7]fe
 [D7] Put my faith in the people [Gsus4] [D7]
 [D7] But the people let me down [Gsus4] [D7]
 So I [E7] turned the other way and I [C] carry [G] on any[D7]how

That's why I'm telling you

[Z] I just want to celebrate yeah yeah another day of living [Gsus4] [D7]
 [Z] I just want to celebrate another day of [Gsus4] li[D7]fe
 [D7] Had my hand on the dollar [Gsus4] bill [D7]
 [D7] And the dollar bill blew away [Gsus4] [D7]
 But the [E7] sun is shining [C] down on [G] me and it's here to [D7] stay

That's why I'm telling you

[Z] I just want to celebrate yeah yeah another day of living [Gsus4] [D7]
 [D7] I just want to celebrate another day of livin' [Gsus4] [D7]
 [D7] I just want to celebrate
 Another day of [Gsus4] li[D7]fe [Gsus4] [D7] [Gsus4] [D7] [Gsus4] [D7]
 [D7] Don't let it all get you [Gsus4] down oh [D7] no
 Don't let it turn you a[Am7*]round and around
 And around and a[D7]round

Repeat intro riff and chords

[D7] Well I can't be bothered with sorrow [Gsus4] [D7]
 [D7] And I can't be bothered with hate [Gsus4] no [D7] no
 I'm [E7] using up my time by [C] feeling [G] fine every [D7] day

D7	Gsus4	E7	C	G	Am7*
G C E A	G C E A	G C E A	G C E A	G C E A	G C E A

Z chord – mute strings by reducing finger pressure on fret board in D7 chord position.
