Uke 2 [C] [Am] [F] [Am][Dm] [G7]

[C] Look at the two of you [Am] dancin' that way
[F] Lost in the [Am] moment and [Dm] each other's [G7] face
[C] So much in love you're a [Am] lone in this place
Like there's [F] nobody [Am] else in the [G7] world
[C] I was enough for her [Am] not long ago
[F] I was her [Am] number one [Dm] she told me [G7] so
And she [C] still means the world to me [Am] just so you know
So be [F] careful when [Am] you hold my [G7] girl
[Am] Time changes everything [F] life must go on
And I'm [C] not gonna stand in your [G7] way

Chorus: *I loved her [C] first I held her [Am] first
And a place in my [F] heart will [Am] always be [Dm] hers
From the [G7] first breath she [C] breathed when she first smiled at [Am] me
I knew the [F] love of a [Am] father runs [Dm] deep [G7]
And I [Dm] prayed that she'd [C] find you some [F] day [Am]
But it's [Dm] still hard to [C] give her a [G7] way
I loved her [C] first [Am] [F]*

[C] How could that beautiful [Am] woman with you
[F] Be the same [Am] freckled face [Dm] kid that I [G7] knew
The [C] one that I read all those [Am] fairytales to
And [F] tucked into [Am] bed all those [G7] nights
And [Am] I knew the first time I [F] saw you with her
It was [C] only a matter of [G7] time

Repeat chorus. After last line:

*I loved her [C] first [Am] [F] [Am] [Dm]
From the [G7] first breath she [C] breathed when she first smiled at [Am] me
I knew the [F] love of a [Am] father runs [Dm] deep [G7]
Someday you [Dm] might know what [C] I'm goin' [F] through [Am]
When a [Dm] miracle [C] smiles up at [G7] you
I loved her [C] first [Am] [F] [Am] [G7] [C!]*
