I I got a [A] low down dirty [A7] feeling
That I've been [D] cheated on and [Dm] lied to
If it's [A] so then it's [C#m7] wrong
We've hung [F#m] on for so [A] long
Why [D] don't we have that magic any [F7] more [E7]
I got a [A] strange sneaking sus[A7]picion
That it's been [D] going on for some [Dm] time now
Something [A] shines in your [C#m7] eyes
Something [F#m] stirs deep in[A]side
I [D] won't stand in your [E7] way any [A] more [A7]

Bridge:

*[D] You say that I'm [Dm] just a little boy
Who's [A] easily [E7] led a[A]stray [A7]
[B7] Well aren't you that same little girl
Who [Bm] always gets her [F7] way [E7]*
I got a [A] strange sneaking sus[A7]picion
That it's been [D] going on for some [Dm] time now
Something [A] shines in your [C#m7] eyes
Something [F#m] stirs deep in[A]side
I [D] won't stand in your [E7] way any [A] more [A7]

Repeat Bridge

I [D] won't stand in your way I [Dm] won't stand in your way
