[Am] There's no formula for [D7] happiness [F] that's guaranteed to [C] work
It [Am] all depends on [D7] how you treat your friends
[F] And how much you've been [C] hurt

But it's a [Am] start when you open up your [C] heart
And try not to [E7] hide what you feel in [F] side [G7]
Just open up your [Am] heart

[Am] There's no dreamer who's [D] ever dreamed
[F] And seen it all come [C] true
[Am] Takes a lot of time and [D] breaks a lot of hearts
[F] To see an idea [C] through
And [Am] love's just a [D] simple word [F] its truth is eas'ly [C] lost
And [Am] sorry's said so [D] easily [F] nobody counts the [C] cost

But it's a [Am] start when you open up your [C] heart
Give your love to [E7] others they become your [F] brothers [G7]
You open up your [Am] heart come on make a [C] start
Try not to [E7] hide what you feel in [F] side [G7]
Just open up your [Am] heart

[Am] There's no formula for [D] happiness [F] that's guaranteed to [C] work
And [Am] no lover's [D] ever been in love [F] and not been [C] hurt
[Am] No dreamer's [D] ever dreamed [F] and seen it all come [C] true
In the [Am] end you find the [D] things that count [F] a look to me and [C] you

But it's a [Am] start when you open up your [C] heart
Give your love to [E7] others they become your [F] brothers [G7]
You open up your [Am] heart come on make a [C] start
Try not to [E7] hide what you feel in [F] side [G7]
Just open up your [Am] heart
