From: Richard G's Ukulele Songbook www.scorpexuke.com

Intro: [G] [Gmaj7] [Em7] [Gmaj7] [C] [D7]

[G] On the [D] floor the [F] people dance a[C]round
[G] Moving [Em7] close to[F]gether
But [C] there all alone in the [G] corner
There's the [C] girl I once knew who [D7] broke me in two

Chorus:

*So won't you [G] please play a [Gmaj7] song
A [Em7] sentimental [Gmaj7] song
For my [Am] sentimental [C] friend over [D7] there
We've been [F] so long a[Fmaj7]part
Make it [Dm7] go right to the [Fmaj7] heart
Of my [Am] sentimental [D7] friend over [G] there
Bring the [G] tears to her [Gmaj7] eyes
Help to [Em7] make her rea[G7]lize
The [C] love we had was just beyond com[Eb]pare
[G] Then if the time is right [D7] maybe I'll hold her tight
My [C] sentimental friend over [G] there [D7]*

[G] I re[D]call the [F] way she used to [C] feel
[G] When we [Em7] heard a [F] sad song
The [C] teardrops would fall and she'd [G] hold me
And [C] tell me she'd be for[D7]ever with me

Repeat Chorus x 2
