[G] Hallways and [Em] staircases [G] everyday to [D] climb  
To [G] go up to my [Em] white walled room  
Out [G] on the end of [D] time

Where [D] I can be with [F#m] my love

[G] For she is all that [Em] is mine

And she'll [D] always be there

[Em] My love don't care [D] about time

I [G] laugh with her [Em] cry with her

[G] Hold her close she [D] is mine

The [G] way she tells me [Em] of her love

And [G] never is she [D] trying

[D] She don't have to [F#m] be assured

Of [G] many good things [Em] to find

And she'll [D] always be there

[Em] My love don't care [D] about time

Her [G] eyes are dark and [Em] deep with love

Her [G] hair hangs long and [D] fine

She [G] walks with ease and [Em] all she sees

Is [G] never wrong or [D] right

And [D] with her arms a [F#m] round me tight

[G] I see her all in [Em] my mind

And she'll [D] always be there

[Em] My love don't care [D] about time

She'll [D] always be there [Em] my love don't care [D] about time
