From: Richard G's Ukulele Songbook www.scorpexuke.com

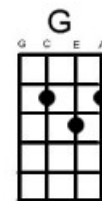

[D] Come my love I'll [Dsus4] tell you a [D] tale
[D] Of a boy and girl and [A] their love sto[D]ry
[D] And how he loved her [Dsus4] oh so [D] much
[D] And all the charms she [A] did pos[D]sess
[D] Now this did happen once up[Dsus4]on a [D] time
[D] When things were not [A] so com[D]plex
[D] And how he worshipped the [Dsus4] ground she [D] walked
And when he [D] looked in her eyes he be[A]came ob[D]sessed

Chorus: [G] My love is like a [C] storybook [G] story
[G] But it's as real as the [D] feelings I [G] feel
[G] My love is like a [C] storybook [G] story
[D] But it's as real as the [G] feelings I [D] feel
[D] But it's as real as the [A] feelings I [D] feel

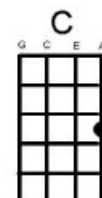

[D] This love was stronger than the [Dsus4] powers so [D] dark
[D] A prince could have within his [A] kee[D]ping
[D] His spells to weave and [Dsus4] steal a [D] heart
[D] Within her breast but only [A] slee[D]ping

Repeat Chorus

He said [D] don't you know I love you [Dsus4] oh so [D] much
[D] And lay my heart at the [A] foot of your [D] dress
She said [D] don't you know that [Dsus4] storybook [D] loves
[D] Always have a happy [A] end[D]ing
[D] Then he swooped her up just [Dsus4] like in the [D] books
[D] And on his stallion they [A] rode a[D]way

Repeat Chorus
