From: Richard G's ukulele Songbook [www.scorpex.net/Uke](http://www.scorpex.net/Uke)

Intro: [G] [A7] [C] [G] [G] [A7] [C] [G]

[G] Luck found me too [A7] late

To [C] be what I could [G] use

[G] And caught me tempting [A7] fate

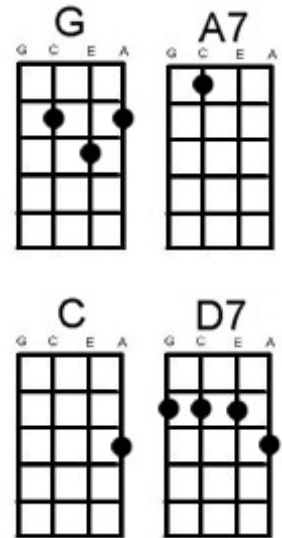

Still red [C] handed and con[G]fused

[G] Pride has sent me [A7] where

There's [C] not much left to [G] lose

[G] Then cruelly let me [A7] care

And con[C]vinced me I could [G] choose

## Chorus:

***[G] About [D7] you...as if [C] there was one small [G] chance***

***To be [D7] through.....with [C] everything I [G] can't***

***So even if this worn out [C] heart was [G] new***

***And all its foolish [D7] hopes were [G] true***

***[G] This one lifetime [C] just won't [G] do***

***Cause I cried enough [D7] tears.....for [G] two***

[G] [A7] [C] [G] [G] [A7] [C] [G]

[G] Dreamin only [A7] served

To [C] take my restless [G] sleep

[G] Stealing comfort from these [A7] eyes

So [C] desperate for re[G]lief

[G] Fuelled by empty [A7] promises

They [C] never meant to [G] keep

[G] Leaving me with [A7] nothing more

Than [C] endless years to [G] weep

## 2 x Chorus

[G] [A7] [C] [G] [G] [A7] [C] [G]
