[F] [Bb] [F] [Bb] That [F] summer feeling that [Bb] summer feeling that [F] summer feeling [Bb]

When there's [F] things to do not be[Bb]cause you gotta When you [F] run for love not be[Bb]cause you oughtta
When you [F] trust your friends with no [Bb] reason notta The [F] joy I name shall [C] not be tamed
And that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

When the [F] cool of the pond makes you [Bb] drop down on it
When the [F] smell of the lawn makes you [Bb] flop down on it
When the [F] teenage car gets the [Bb] cop down on it
The [F] time is here for [C] one more year

And that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

If you've for[F]gotten what I'm naming [Bb] You're gonna [F] long to reclaim it one [C] day
Because that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb]

And if you [F] wait until your older [Bb] A sad re[F]sentment will smoulder one [C] day
And then that [Gm] summer feeling is gonna [C] haunt you And that [Gm] summer feeling's gonna [C] taunt you
And then that [Gm] summer feeling is gonna [Bb] hurt you one [C] day in your [F] life [Bb] [F] [Bb]

When even [F] fourth grade starts looking [Bb] good which you hated
And [F] first grade's looking good [Bb] too overrated
And you [F] boys long for some little [Bb] girl that you dated Do you [F] long for her or for the [C] way you were
That [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

When the [F] Oldsmobile has got the [Bb] top down on it
When the [F] catamaran has got the [Bb] drop down on it
When the [F] flat of the land has got the [Bb] crop down on it
Some things were [F] good before and some things [C] never were
But that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

Well when your [F] friends are in town and they've [Bb] got time for ya
When you were [F] never hanging around and they [Bb] don't ignore ya
When you [F] say what you will and they [Bb] still adore ya Is that [F] not appealing it's that [C] summer feeling
That [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

It's gonna [F] haunt you [Bb] It's gonna [F] taunt you [Bb]
You're gonna [F] want this feeling in[Bb]side One more [F] time [Bb]
It's gonna [F] haunt you [Bb] It's gonna [F] taunt you [Bb]
You're gonna [F] want this feeling in[Bb]side one more [F] time One more [Bb] thing

When you're [F] hanging around the park with the [Bb] water fountain
And there's the [F] little girl with the dirty ankles
Cuz she's [Bb] on the swings you know and all the dust is kicking [F] up
And you remember the ankle locket [Bb] and the way she flirted with you [F] for all this [C] time how come
Well that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb]
You'll throw a[F]way everything for it [Bb] You'll throw a[F]way everything for it [Bb] One more thing

Well when the [F] playground that just was all [Bb] dirt comes haunting
And that [F] little girl who called you a [Bb] flirt memory comes taunting
You [F] pick these things apart they're [Bb] not that appealing
You [F] put them together and you'll get this [C] certain feeling
And that [Gm] summer feeling is gonna [Bb] haunt you one [C] day in your [F] life [Bb] [F] [Bb]

It's gonna [F] haunt you [Bb] It's gonna [F] taunt you [Bb]
You're gonna [F] want this feeling in[Bb]side one more [F] time
