

Tower of Song Leonard Cohen

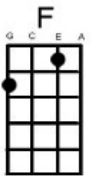

Hear this song at: <http://www.youtube.com/watch?v=oiAuXRK3Ogk> (Original key B)

From: Richard G's Ukulele Songbook www.scorpex.net/Uke

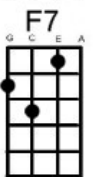

[C] Well my friends are gone and my hair is grey
I ache in the places where I [C7] used to play
And I'm [F] crazy for love [F7] but I'm not coming [C] on
I'm just [G7] paying my rent every[F]day in the [F7] tower of [C] song

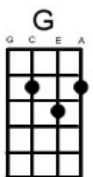

[C] I said to Hank Williams how lonely does it get
Hank Williams hasn't [C7] answered yet
But I [F] hear him coughing [F7] all night [C] long
A [G7] hundred floors above me [F] in the [F7] tower of [C] song

[C] I was born like this I had no choice.
I was born with the gift of a [C7] golden voice
And [F] 27 angels [F7] from the great be[C]yond
They [G7] tied me to this table right [F] here in the [F7] tower of [C] song

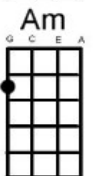

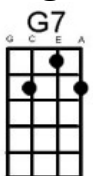

[C] So you can stick your little pins in that voodoo doll
I'm very sorry baby doesn't [C7] look like me at all
I'm [F] standing by the window [F7] where the light is [C] strong

They don't [G7] let a woman kill you [F] not in the [F7] tower of [C] song
[C] Now you can say that I've grown bitter but of this you may be sure:
The rich have got their channels in the [C7] bedrooms of the poor
And there's a [F] mighty judgment coming [F7] but I may be [C] wrong
You see you [G7] hear these funny voices [F] in the [F7] tower of [C] song

[Am] I see you standing on the [G] other side
[Am] I don't know how the river [G] got so wide
I [F] loved you baby [F7] way back [C] when
[Am] And all the bridges are burning that we [G] might have crossed
[Am] But I feel so close to every[G]thing that we lost
We'll [F] never have to lose it a[G7]gain

[C] I bid you farewell I don't know when I'll be back
They're moving us tomorrow to that [C7] tower down the track
But you'll be [F] hearing from me baby [F7] long after I'm [C] gone
I'll be [G7] speaking to you sweetly from a [F] window
In the [F7] tower of [C] song
